Country Midnight

Christina Crusius

Silent was the whir of the tractor. Silent was Mother's voice, calling for dinner. Silent were the cattle, mooing as if suspended from a cliff.

The old barn lay still, blanketed by the blackberry darkness. Needles of light and a shadow of the moon shone through the clouds forming a halo in the haystack.

Pretending

Kira Bonk

digging in my purse for something
(that doesn't exist)
wearing headphones
(that aren't plugged in)
texting on my cell phone
(that isn't turned on)
avoiding conversations
(that aren't interesting)
